

General Fare Information

WSDOT Ferries Division (WSF)

Welcome aboard Washington State Ferries. We hope you enjoy your voyage.

Passenger Fares

Passenger fares are generally round-trip with the exception of the Port Townsend/Coupeville route and all international sailings. We offer seniors (65+) online and printed on a personal printer up to 90 days in advance of travel. Buy tickets at our website at www.wsdot.wa.gov/ferries/wave2go.

Discounts for Frequent Users

Washington State Ferries provides discounts to our frequent users. Wave2Go multi-ride cards offer a 20% discount for passengers and a 20-45% discount for vehicle and drivers depending on the season. A monthly ferry passenger pass offers a 20% discount or more depending on the number of uses. The monthly passenger pass is limited to 31 round-trips per month and can be used from the first day of a month to the last day of the month.

Wave2Go Multi-Ride Cards

Multi-ride cards provide travel for 20 one-way trips or 10 round-trips, except for the San Juan Islands vehicle multi-ride cards which contain five round-trips. Multi-ride cards, which are discounted for frequent use, expire 90 days from the date of purchase and are non-refundable. Multi-ride cards are available for both adult passengers and adult car and driver customers. These cards can be purchased at our online store at www.wsdot.wa.gov/ferries/wave2go and printed at a terminal tollbooth. These tickets can be used more than once on the same sailing. The passenger multi-ride card is also available for ORCA card users.

Vehicle Fares

Our vehicle fares are based on a vehicle's length, height, and width, as well as the distance you will be traveling on board our ferry. *For example:* The fare for a car towed on a boat or trailer is based on the length of the car and the trailer or boat combined. Vehicles with bikes stored on the roof will be charged an overnight surcharge. Most vehicle fares are **one-way** with the exception of the San Juan Islands and Vashon Island routes, which are round-trip fares. Motorcycles with a sidescar and vehicles with three wheels under 8' in length will pay the motorcycle fare; motorcycles towing a trailer or three-wheeled vehicles 8' or over will pay the Under 14' vehicle fare.

passenger fare. Tickets are not available online or at a kiosk as proof of eligibility may be required.

Revalue Products

Frequent users may choose to place their multi-ride product or their passenger pass on a revalue card, which automatically replenishes when all rides are used or at 90-day expiration. This insures always having payment without having to pay at the tollbooth. This service is managed by the customer online and the replenishment is charged to a credit card. Each time the card is revalued, the customer is notified. Seniors or customers with disabilities can also sign up for a revalue card. This card has five passenger fares (half price) and is good for 90 days. For more information, please visit our website at www.wsdot.wa.gov/ferries/wave2go.

Peak Season Charges

During the ferry system's busiest months, a peak season surcharge is in effect for vehicles and drivers paying full fare. Multi-ride card fares are not impacted by peak season fare increases. The peak season is in effect from May 1 through September 30.

Accepted Forms of Payment

WSF terminals accept the following payment types:

- Cash
- Transit Vouchers
- Debit cards and all major credit cards (must be signed)

Youth

Children under six years of age travel free. Children 6-18 years of age travel at 50% of the regular fare.

Persons who are deaf or hard of hearing may access Washington State Telecommunications Relay Service by dialing 711 (WA) and asking to be connected to 206-515-3460.
